these things:

11 Verely, verely I say unto thee, Wee speake that we know, and testifie that we haue seene: but ye receiuē not our witnessē.

12 If when I tell you earthly things, yee beleue not, how shold yee beleue, if I shall tell you of heauenly things?

13 For no<sup>k</sup> man ascendereth up to heauen, but he that hath descended from heauen, <sup>m</sup>that Sonne of man which<sup>n</sup> is in heauen.

14 \* And as Moses lift vp the serpent in the wildernes, so must that Sonne of man be lift vp,

15 That whosoever beleueueth in him, shold not perish, but haue eternall life.

16 \* For God so loued the worlde, that he hath giuen his onely begotten Sonne, that whosoever beleueueth<sup>o</sup> in him, shold not perish, but haue everlasting life.

17 \* For God sent not his Sonne into the worlde, that he shoulde<sup>p</sup> condemne the worlde, but that the<sup>q</sup> worlde through him might be sauied.

18 Hee that beleueueth in him, is not condemned: but he that beleueueth not, is condemned already, because hee hath not beleeuēd in the Name of that onely begotten Sonne of God.

19 \* And this is the<sup>r</sup> condemnation, that that light came into the worlde, and men loued darkenesse rather then that light, because their deedes were euill.

20 For every man that euill doeth, hateth the light, neither commeth to the light, lest his deedes should be reprooued.

21 But he that<sup>s</sup> doeth trueth, commeth to the light, that his deedes might bee made manifest, that they are wrought<sup>t</sup> according to God.

22 After these things, came Jesus and his disciples into the lande of Judea, and there were invited, and this kinde of speach men call, the communica-

of the Father, is the beginning of our salvation, and Christ is  
igher eualesse and saluation is resident: and faith is the instru-  
ment. o It is not all one to beleue in a thing, and to beleue  
may not beleue (in any thing) save only in God, but we may be-

26 And they came unto John, and said vnto him, Rabbi, hee that was with thee beyond Jordan, to whom<sup>u</sup> thou barest witness, behold, he baptizeth, and all men come to him.

27 John answered, and saide, A man<sup>v</sup> can receive nothing, except it bee giuen him from heauen.

28 Ye your selues are my witnessēs, that \* I saide, I am not that Christ, but that I am sent before him.

29 Hee that hath the bride, is the bridegrome: but the friend of the bridegrome which standeth and heareth him, rejoyceth greatly, because of the bridegromes boyce. This my ioy, therefore is fulfilled.

30 He must increase, but I must decrease,

31 Hee that is come from an hie, is aboue all: he that is of the earth, is of the<sup>x</sup> earth, and y speakest of the earth: hee that is come from heauen, is aboue all.

32 And what hee hath<sup>y</sup> seene and hearde, that he testifieth: but<sup>z</sup> no man receiuēt his testimonie.

33 He that hath received his testimonie, hath sealed that<sup>a</sup> God is true.

34 For he whom God hath sent, speaketh the words of God: for God giueth him not the spirit by measure.

35 The Father loueth the sonne, and hath<sup>b</sup> giuen all things into his hand.

36 \* He that beleueueth in the Sonne, hath everlasting life, and hee that obeyeth not the Sonne, shal not<sup>c</sup> see life, but the wrath of God abideth on him.

## A PROLOG.

HE ordre of the seuene epistlis which ben clepid <sup>a</sup> canonySED is not so among the greekis that fulli saueren the feith and suen the rigt ordre of the epistlis as it is foundun in latin bookis: for forasmuch as petir is the firste in the ordre of apostlis, his epistlis ben the firste of hem in ordre. but as we not longe sithen correctiden the euangelistis <sup>b</sup> to the lyf of treuthe, so we han sett these thouroug the help of god in her owne ordre. for the firste of hem is an epistle of james, two of petris, three of ioonys, and oon of iude. the whiche epistlis, if thei hadden be treuli turned of the translatouris into latyn speche as thei weren maad of the apostlis, thei schulden haue maad no doute to rederiS, ne the variaunce of wordis schulde not haue ynpugned it silf. nameli in that place in the firste epistle of ioon, where we reden of the <sup>c</sup>oonhede of the trynyte, where we fynden, that ther hath be greet error of untrewe translatouris fro the treuthe of the feith, while thei setten in her translaciounS onli the names of three thingis, that is of watir, of blood, and of the spirit, and leeueth the witnessyng of the fadir, and of the sone, and of the spirit, in which *witnesseyng oure* <sup>d</sup>comyn bileyve is moost strengthid, and it is preved, that ther is <sup>e</sup>oon substaunce of godheid of the fadir, and of the sone, and of the hooli spirit. but in othire epistlis hou myeh oure translacioun diuersith fro othirs I leue to the prudence of the rederiS. but thou <sup>f</sup>goddis maide Eustachium, while thou enquerist bisili of me the treuthe of scripture thou <sup>g</sup>puttist out myn elde to be gnawe of enviouse mennis teeth whiche seien, that I am a <sup>h</sup>peirer of hooli scripturis. but I in such a werk drede not the envie of myne enemyes, ne I schal not denyen to hem that axen the treuthe of hooli scripture. *Jerom in his prolog on this pistle seith this.*

## Capitulum I.

**A**mes the seruant of god, and of oure lord iusu crist, to the twelue kinredis that ben in scattering abroad, heelthe. mi britheren, deme yeal ioi whanne ye fallen into dyuerse temptaciounS. witinge that the preyng of youre feith worshith pacience, and pacience hath a parfyt werk, that ye be parfyt and hoole and faile in nothing. and if ony of you nedith wisdom axe he of god which giueth

to alle men largeli and upbreidith not, and it schal be gouun to hym. but axe he in feith, and doute no thing, for he that doutith is lyk to a wawe of the see which is moued and borun aboute of wynd. therfore gesse not thilke man that he schal take ony thing of the lord. a man double in soule in unstable in alle his weies, and a meek brothir have glorie in his enhaunsyng, and a riche man in his lownesse. for as the flour of grass he schal passe, the sunne roos up with heete and drieide the gras, and the flour of it felde doun, and the fairnesse of his cheer perischede, and so a riche man <sup>k</sup>welewith in hisse weies. blessed is the man that suffrith temptacioun, for whanne he schal

be preued he schal resseyue the crowne of lyf which god hath bilihgt to men that louen him. no man whanne he is temptid seie, that he is temptid of god. for whi god is not a tempter of yuele thingis, for he temptith no man, but ech man is temptid, drawun and stirid of his owne couetyng. afterward couetyng whanne it hath conseuyed bryngith forth synne, but n synne whanne it is fillid gendirth deeth. therfore my moost dereworth britheren, nyle ye erre. ech good gifte and ech parfyte gifte is from above and cometh doun fro the fadir of ligtis anentis whom is noon <sup>a</sup> ouer <sup>b</sup> chaungyng ne ouerschadewing of reward. for wilfulli he bigat us bi the word of treathe, that we be a bigynnyng of his creature. wite ye my britheren moost loued, be ech man swift to here but slow to speke, and slow to wrathe; for the wrathe of man worchit not the rytwisnesse of god. for which thing caste ye awei al unclemnesse and plentee of malice, and in mylennesse resscyve ye the word that is plauntid that mai saue youre soulis. but be ye doeris of the word, and not heerers oonli, disseyuyngne yousilff. for if ony man is an heerer of the word, and not a doer, this schal be likened to a man that biholdith the <sup>c</sup> cheer of his birthe in a myrrour. for he biheelde himsilff and wente awei and anoon he forgat which he was. but he that biholdith in the lawe of parfyte fredom and dwellith in it, and is not maad a forgetful heerer, but a doer of werk, this schal be blessid in his dede. and if ony man gessthimself to be religious, and refreyneheth not his tungue, but disseyueth his herte, the religioum of him is veyn. a cleen religioum and an unweymyd anentis god and the fadir is this, to visite fadirles and modirles children and widewis in her tribulacioun, and to kepe himsilff undefouled fro this world.

## c. II.

**M**I britheren, nyle ye have the feith of <sup>a</sup> oure lord Jesus crist of glorie in accepcioun of persoones. for if a man that hath a goldun ryng, and in a fair clothing cometh in youre cumppany, and a pore man entrith in a foul clothing, and if ye biholden unto him that is clothid with <sup>d</sup> clear clothing, and if ye seie to him sitte thou here wel, but to the pore man ye seien, stonde thou there, ether sitte <sup>e</sup> tindir the <sup>f</sup> stool of my feet, whether ye demen not anentis you silff, and ben maad domesmen of wickide thoughtis? heere ye my moost dereworth britheren, whether god chees not pore men in this world riche in feith, and eiris of the kyngdom that god bilihgt to men that louen hym? but ye han dispised the pore man, whether riche men oppresen not you bi power, and thei drawnen you to doomes? whethir thei blasphemyn not the good name that is clepid to help on you? netheles if ye performen the kyngis lawe bi scripturis thou schalt loue thi neigbore as thi silff, ye doen wel. but if ye taken persoones ye worchen synne, and ben repreuded of the lawe as trespassouris, and who euer kepith al the lawe but offendith in oon, he is maad gilti of alle. for he that seide, thou schalt do no lecherie, seide also thou schalt not sle. that if thou doist not lecherie but thou sleest, thou art maad trespassour of the lawe. thus speke ye, and thus do ye, as bigynnyng to be deimed bi the lawe of fredom. for whi doom withouten merci is to him that doith no merci, but morci aboue reisith doom. my britheren what schal it profitte if ony man seie that he hath feith but he hath not the werkis? whethir feith schal mowe save him? and if a brothir either sistir be nakid, and han nede of ech daies lyfode, and if any of you seie to hem, go ye in pees, and be ye maad hooote and be ye fillid, but if ye gyuen not to hem tho thingis that ben necessarie to bodi, what schal it profitte? so also feith if it hath not werkis, is deed

in it silff. but sum man schal seie, thou hast feith, and I haue werkis. schewe thou to me thi feith withoute werkis, and I schal schewe to thee my feith of werkis. thou bileeuest that oo god is. thou doist wel, and deuelis bileeuen and tremblen. but wilt thou wite thou veyn man that feith withoute werkis is ydil? whether abraham oure fadir was not iustified of werkis, offringe isaac his sone on the auter? therfore thou seest that feith wroughte with his werkis, and his feith was fillid of werkis. and the scripture was fillid seiynge, abraham bileeuyd to god, and it was arettid to him to rightwisnesse, and he was clepid the frend of god. ye seen that a man is justified of werkis, and not of feith oonli. in lyk maner and whether also raab the hoore was not iustified of werkis, and resseyuyde the messangeris, and sente hem out bi another weie. for as the bodi withoute spirit is deed, so also feith withoute werkis is deed.

## III.

**M** I britheren nyle ye be maad manye maistris, witinge that ye taken the more doom. for alle we offenden in manye thingis, if ony man offendith not in word, this is a parfy man. for also he mai lede aboue al the bodi with a bridel. for if we putten bridelis into horsis mouthis for to consente to us, and we ledien aboue al the bodi of hem. and lo schippis whanne thei ben greete, and ben dryuu of stronge windis, yit thei ben borun aboue of a lilt gouernail, where the mouyng of the gouernour wole. so also the tungis is but a lilt membre, and reisith greeete thingis. to hou litle fier brenneth a ful greet wood? and oure tungis is fier, the unyuersitee of wickidnesse. the tungis is ordeyned in oure membris which defoulith al the bodi, and it is enflawmed of helle, and enflawmeth the \*wheel of oure birthe. and al the kynde of beestis, and of foulis and of serpentis and of othire is chastisid, and tho ben maad tame

<sup>a</sup> rotam nativitatis nostrae.<sup>b</sup> inquietum.

of mannis kynde; but no man mai chas-  
tise the tungis, for it is an <sup>b</sup> unpesible yuel and  
ful of deedli venym. in it we blessem god the  
fadir, and in it we cursen men that ben maad  
to the licknesse of god. of the same mouth  
passith forth blessing and cursyng, my britheren  
ren it bihoueth not that these thingis ben don  
so. whether a welle of the same hole bringith  
forth sweete and salt watir? my britheren  
whether a fige tree mai make grapis, either a  
vyne figis? so neither salt watir may make  
sweet watir. who is wys and taugt among  
you, schewe he of good lyuynge his worshyng  
in myldenesse of hisse wisdom. that if ye han  
bitir envie, and stryyngis ben in youre hertis,  
nyle ye haue glorie and be lieris agens the  
treuthe. for this wisdom is not fro aboue  
comyng doun, but etheli and beestli and  
feendli. for where is envie and stryf, there is  
unstidefastnesse and al schrewid werk. but  
wisdom that is fro above, firste it is chaast,  
aftirward pesible, mylde, able to be counselid,  
consentinge to goode thingis, ful of merci and  
of goode fruytis demyngi withoute feynyng.  
and the fruyt of rigtwisnesse is sowun in pees  
to men that maken pees.

## III.

**W** Heroff ben bateils and <sup>c</sup> cheestis among  
you? whether not of youre couetisise  
that figten in youre membris? ye coueten and  
ye han not, ye sleep and ye han envie, and ye  
moun not gete. ye chiden and maken bateil,  
and ye han not for ye axen not. ye axen, and  
ye resseuuen not. for that ye axen yuele as ye  
schenen openli in youre couetisis. auouteris,  
witen not ye, that the frendship of this world  
is enemye to god? therfore who euer wole be  
frend of this world is maad the enemye of god.  
whether ye gessen that the scripture seith  
veyndl, the spirit that dwellith in you couetith  
to envie? but he gyueth the more grace. for  
which thing he seith, god withstondith proude  
men, but to meke men he gyueth grace, ther-

<sup>c</sup> lites. in versione alt: Cheestis, or Chidynge.

fore be ye sugett to god. but withstonde ye  
the deuel, and he schal fle fro you. neige ye  
to god, and he schal neighe to you. ye syn-  
neris cleanse the hondis, and ye double in soule  
purge ye the hertis. be ye wrecchis and weile  
ye. youre leighing be turned into weeping,  
and ioie into sorewe of herte. be ye mekid in  
the sigt of the lord, and he schal enhaunse you.  
my britheren nyle ye bacbite ech othire. he  
that bacbitith his brothir, either that demeth  
his brothir bacbitith the lawe, and demeth the  
lawe. and if thou demest the lawe thou art  
not a doer of the lawe, but a doomsman, but  
oon is maker of the lawe and juge that mai  
leese and delyuere. and who art thou that  
demest thi neigbore? lo now ye that seien, to  
dai either to morewe we schulen go into thilk  
citere, and there we schulen dwelle a yeer, and  
we schulen make merchaundise, and we schu-  
len make wynnyng. whiche witen not what is  
to you in the morewe. for what is youre lyf?  
as smoke apperynge at a litle, and afterward it  
schal be waastid. therfore that ye seie, if the  
lord wole, and if we lyuen, we schulen do this  
thing either that thing. and now ye maken ful  
out ioie in youre pridis, euyer such ioyng is  
wickid. therfore it is synne to him that can  
do good and doth not.

## V.

**D**OITH now ye riche men. wepithe ye yel-  
lynge in youre wrecchidness that schu-  
len come to you. youre richessis ben rotun,  
and youre clothis ben eten of moutgis. youre  
gold and \* siluer hath rustid. and the rust of  
hem schal be to you into witnessyng, and schal  
ete youre fleischis as fier. ye han tresoured  
to you wrathe in the laste daies. lo the hire  
of youre werkmen that repiden youre feeldis  
which is fraudid of you crieth, and the cry of  
hem bath entrid into the eeris of the lord of  
oostis. ye han ete on the erthe, and in youre  
lechcheries ye han norisched your hertis. in the

dai of sleyng ye broughten and slowen the iust  
man, and he agenstood not you. therfore <sup>B</sup>  
britheren be ye pacient til to the comyng of  
the lord. lo an erhetilier abidith precious fruyt  
of the erthe, pacientli suffrynge til he resseyue  
<sup>b</sup> tideful and lateful fruyt. and be ye pacient,  
and conferme ye youre hertis, for the comyng  
of the lord schal neige. britheren nyle ye be  
sorewful ech to othire, that ye be not demed,  
lo the juge stondith nyg bifore the gate. bri-  
theren take ye ensaumple of yuel goyng out,  
and of long abiding, and trauel and of paci-  
ence, the prophetis that spaken to you in the  
name of the lord. lo we blessem hem that suf-  
friden. ye herden the suffring, *either paci-  
ence*, of iobb, and ye sigen the ende of the  
lord. for the lord is merciful and doyng  
merci. bifore alle thingis, my britheren, nyle  
ye swere, neither bi heuene, neither bi eerthe,  
neither bi what euer othir ooth. but be youre  
word yhe, yhe, nai, nai, that ye falle not undir  
doom. and if ony of you is sorewful,  
preie ye with pacient soule, and seie he a salm.  
if ony of you is syk, lede he yn <sup>c</sup> prestis of the  
chirche, and preie thei for him & anoynte with  
oile in the name of the lord, and the preier of  
feith schal sauve the syk man, and the lord  
schal make him ligt, and if he be in synnes  
thei schulen be forgouun to him. therfore  
knowleche ye ech to othire youre sinnes, and  
preie ye ech for othire that ye be sauved, for  
the contynuel preier of a iust man is myche  
worth. elye was a deedli man lyk us, and in  
preier he preiede that it schulde not reyne on  
the erthe, & it reynyde not three yeeris and  
sixe monethis. and eftsoone he preiede and  
heuene gaf reyn and the erthe gaf his fruyt.  
and britheren if any of you errith fro treuthe,  
and ony conuertith him, he owith to wite,  
that he that makith a synner to be turned fro  
the errour of his weie, schal sauve the soule of  
him fro deeth, and keuerith the multitude of  
synnes.

ETIR apostle of iesus crist to the chosun men, to the comelinis of scateryng a brood of ponte, of galathie, of capadocie, of asie, and of bythynie, bi the biforning of god the fadir in halewing of spirit, bi obedience and sprenging of the blood of iesus crist, grace and pees be multiplied to you. blessid be god and the fadir of oure lord iesus crist, which bi his greet merci bigat us agen into \*lyuyng hope bi the aghenrisyng of iesus crist fro deeth into eritage uncorruptible and undefouled and that schal not fade that is kept in hevenes for you that in the vertue of god ben kept bi the feith into heelthe and is redi to be schewid in the laste tyme. in which ye schulen make ioie thoug it bishoueth now a litle to be sori in dyuerse temptacioun, that the preuyng of youre feith be mych more precious than gold that is preued bi fier, and be foundun into heriying and glorie and onour in the revelacioun of iesus crist. whom whanne ye han not seyn ye louen, into whom also now ye not seynge billeuen. but ye that billeuen schulen haue ioie and gladnesse that mai not be teeld out, and ye schulen be glorified and haue the ende of youre feith the heelthe of youre soulis. of which heelthe profetis sougten and enschercheden that profecjeden of the grace to comyng in you, and sougten which euer what maner tyme the spirit of crist signyfiede in hem. and biforn tho passiouens that ben in crist, and the lattere glories, to whiche it was schewid. for not to hemself but to you thei mynystriden the thingis that now ben teeld to you bi hem that prechiden to you bi the hooli goost sent fro heuene, into whom aungelis desiren to biholde. for which thing be ye gird

the leendis of youre soule sobre parfy. and hope ye into thilke grace that is profrid to you bi the schewyng of iesus crist. as sones of obedience not maad lyk to the former desiris of youre unkunningnesse, but lyk hym that hath clepid you hooli, that also yesilff be hooli in al lyuyng, for it is writen, ye schulen be hooli, for I am hooli. and if ye ynwardli clepen him fadir which demeth withouten acceptiouen of persoones bi the werk of ech man, lyue ye in drede in the tymc of youre pilgrymage, witlyngne that not bi corruptible gold ethir siluer ye ben bougt agen of youre veyne lyuyng of fadris tradicioun, but bi the precious blood as of the lombe undefouled and unspottid crist jesus that was knowun biforn the makynge of the world, but he is schewid in the laste tymes for you that bi him ben feithful in god that reiside him fro deeth and gaf to him euerlastinge glorie that youre feith and hope were in god, and make ye chaast youre soulis in obedience of charite, in loue of britherhod. of symple herte loue ye togidre more bisili, and be ye borun agen, not of corruptible seed, but uncorruptible bi the word of lyuyng god and dwellynge into without ende. for ech fleische is hei, and al the glorie of it is as flour of hey. the hey drie up, and his flour felde doun, but the word of the lord dwellith withouten ende. and this is the word that is prechid to you.

## II.

**T**Herfore putte ye awei al malice and alle gile and seynygis, and envies and alle backbitingis as now borun yonge children resonable, withoute gile couete ye mylk, that in it ye wexe into heelthe, if netheles ye han taastid that the lord is swete. and neige ye to him that is a

lyvynge stoon and repreud of men but chosun of god and onoured. and yesilff as quicke stoones be ye aboue bildid into spiritual housis and an hooli preesthod to offre spiritual sacrifices acceptable to god by iesus crist. for which thing the scripture seith, lo I schal sette in syon the higeste corner stoon chosun and precious; and he that schal bileeue in him schal not be confoundid. therfore onour to you that bileeuen, but to men that bileeuen not, the stoon whom the bilderis repreyden this is maad into the heed of the corner. and the stoon of hertinge, and stoon of sclaudre to hem that offenden to the word, neither bileeuen it in which thei ben sett. but ye ben a chosin kyn, a kyngli presthood, hooly folk, a peple of purchasyng that ye telle the vertues of him that clepide you fro derknessis into his woundirful ligt. whiche sum tyme weren not a peple of god, but now ye ben the peple of god. whiche hadden not merci, but now ye han merci. moost dere I biseche you as comelingis and pilgryms to abstaine you fro fleischli desires that figten agens the soule. and haue ye youre conuersacioun good among hethene men, that in that thing that thei bac bitten of you as of mysdoeris, thei biholden you of goode werkis and glorifien god in the dai of visitacioun. be ye sugett to ech creature of man for god, either to the king as to him that is higer in staat, either to dyukis as to thilke that ben sent of hym, to the veniaunce of mysdoeris, and to the preisygng of goode men. for so is the wille of god, that ye do wel and make the unkunnyngnesse of unprudent men to be doumbe. as fre men and not as hauynge fredam the keueryng of malice, but as the seruauntis of god. onoure ye alle men, loue the britherhod, drede ye god, onoure ye the kyng. seruauntis be ye sugettis in alle drede to lordis, not oonli to goode and to mylde but also to tirauntis. for this is grace if for conscience of god ony men suffrith heuynessis and suffrith unistly. for what grace is it, if ye synnen and ben buffetid and suffren? but if ye doen wel and suffren paci-

entli, this is grace anentis god. for to this thing ye ben clepid. for also crist suffride for us & lefte ensaumple to you, that ye folewe the steppis of hym which did not synne, neithir gile was foundun in his mouth. and whanne he was cursid, he curside not, whanne he suffride he manaside not, but he bitook hymself to him that denide him unistli. and he himself baar oure synnes in his bodi on a tree. that we be deede to synnes and lyue to rigtwisnesse, bi whos wan wounde we ben heelid. for ye weren as scheep erryng, but ye ben now turned to the schepherd and bischop of youre soulis.

## III.

**A** LSO wymnen be thei sugett to her hus bondis. if ony man bileeue not to the word, bi the conuersacioun of wimmen thei ben wunnen without word. and biholde ye in drede youre hooli conuersacioun. of which ther be not <sup>a</sup> withoutforth curious ournyng of heer, either doyng aboue of gold, either ournyng of clothing, but thilke that is the hid man of herte in uncorrupcioun and of mylde spirit which is riche in the sight of god. for so summe tyme hooli wymnen hopinges in god ournyden hemselff, and weren sugett to her owne husbondis, as sare obeiede to abraham and clepide him lord. of whom ye ben dougris wel doyng and not dredinge ony perturbacioun. also men dwelle togidre and bikunning gyue ye onoure to the wommans freele as to the more feble, and as to euene eiris of grace and of lyf that youre preieris be not lettid, and in feith alle of oon wille. in preier be ye ech suffryng with other, loueris of britherheid, merciful, mylde, meke. not yeldinge yuel for yuel, neither cursyng for cursyng, but agenward blessyng. for in this thing ye ben clepid, that yewelde blessing bi eritace. for he that wil loue lyf and se goode daies, constreyne his tunge fro yuel, and hisc lippis that thei speke not gile. and bowe he

fro yuel, and do good, seke he pees, and parfyli sue it. for the igen of the lord ben on iuste men, and hise eeris on the preieris of hem. but the cheer of the lord is on men that doen yuelis, and who is it that schal anoye you if ye ben sueris and louveris of goodnesse? \*that also if ye suffren ony thing for rigtwisnesse ye ben blessid. but drede ye not the drede of hem, that ye be not disturblid. but halewe ye the lord crist in youre hertis, and euermore be ye redi to satisfaccion to ech man axinge you resoun of that feith and hope that is in you, but with myldenesse and drede. hauyng good conscience, that in that thing that thei bacbiten of you, thei ben confoundid which chalenge falsli youre good conuersacion in crist. for it is bettre that ye do wel and suffre if the wille of god wil, than doyng yuel. for also crist oonys diede for oure synnes, the iust for uniuerte, that he schulde offre to god us maad dede in fleische, but maad quicke in spirit. for which thing he cam in spirit, and also to hem that weren closid togidre in prisoun prechide. whiche weren sumtyme unbileueful whanne thei abiden the pacience of god in the dais of noe, whanne the schip was maad in welche a fewe, that is to sei eighte soulis weren maad saaf bi watir. and so baptym of lyk fourme makith us saaf, not the putting awei of the filthis of fleische, but the axyng of a good conscience in god bi the agenrysing of oure lord jesus crist that is in the righthalff of god, and swolewith deeth that we schulen be maad eiris of eulastinge lyf. he gede into heuene and aungelis and poweris and uertues ben maad sugettis to hym.

## III.

**T**herfore for crist suffride in fleisch, be ye also aarmed bi the same thenking. for he that suffride in fleische coesside fro synnes that that is left now in fleische, lyue not now to the desiris of men, but to the wille of god.

for the tyme that is passid is ynow to the wille of hethene men to be endid, whiche wal-kiden in leccheries and lustis, in mych drynkyng of wyn, in unmesurable etingis and drynkyngis, and unleeful worshipping of mawmetis. in which now thei ben astonyed, in which thing thei wondren. for ye rennen not togidre into the same confusiooun of leccherie and blasfemen. and thei schulen gyue resoun to him that is redi to deme the quycke and the deede. for whi for this thing it is prechid also to deede men, that thei be demed bi men in fleische, and that thei lyue bi god in spirit. for the ende of alle thingis schal neighe, therfore be ye prudent and wake ye in preieris. biforn alle thingis haue ye charite ech to othire in yousilff algatis lastinge, for charite keuerith the multitude of synnes. holde ye ospitalite togidre withouten grueching. ech man as he hath resseyued grace mynystringe it into ech othir as goode dispenderis of the manyfolde grace of god. if ony man spekith *speke he* as the wordis of god. if ony man mynystrith as of the vertu which god mynystrith, that god be onoured in alle thingis bi jesus crist oure lord, to whom is glorie and lordschipe into worldis of worldis amen. most dere britheren nyle ye go in pilgrymage in feroour that is maad to you to temptacioun, as if ony newe thing bifalle to you. but comyne ye wit the passiouons of crist and haue ye ioie, that also ye be glad and haue ye ioie in the reuelacioun of his glorie. if ye ben dispised for the name of crist ye schulen be blessid. for that that is of the onour and of the glorie and of the uertue of god, and the spirit that is his schal reste on you. but no man of you suffre as a mansleer, either a theef, either a curser, either a desirer of othere menns goodis, but if as a cristen man schame he not, but glorifie he god in this name. for tyme is that doom bigynne at goddis hous, and if it bigynne firste at us, what ende schal be of hem that bileeuuen not to the gospel? and if a iust man unnethe schal be saued, where schulen the unfeithful man and the synner appere? therfore and

\* but.

thei that suffren bi the wille of god bitaken her  
soulis in goode dedis to the feithful \*maker of  
nought.

## V.

**T**Herfore I an <sup>b</sup>euene eldre man, and a  
witnessse of cristis passiouuns, which also  
am a comynner of that glorie that schal be  
schewid in tyme to comyng, biseche ye the  
eldre men that ben among you. fede ye the  
flok of god that is among you, purueie ye not  
as constreyned, but wilfulli bi god. not for  
loue of foul wynnyng, but wilfulli. neithir  
as hauyng lordship in the clergie, but that  
ye be maad ensaumple of the flok of wille *of  
soule*. and whanne the pryncie of schepardis  
schal appere ye schulen resseue the crowne  
of glorie that mai neuer fade. also ye yonge  
men be ye sugett to eldre men, and alle  
schewe ye togidre mekenesse. for the lord  
withstondith proude men, but he gyueth grace  
to meke men. therfore be ye mekid under the

mygti hond of god, that he reise you in the  
tyme of visitacioun. and caste ye al youre  
bisynesse into him, for to him is cure of you.  
be ye sobre and wake ye, for youre aduersarie  
the deuel as a rorynge lioun goith aboute  
sechinge whom he schal deuoure. whom  
agenstonde ye stronge in the feith, witinge  
that the same passiouun is maad to thilke bri-  
therhod of you that is in the worlde. and god  
of al grace that clepide you into his euerlast-  
inge glorie you suffryng a litol he schal per-  
fourme and schal conferme and schal make  
sad, to him be glorie and lordschip into  
worldis of worldis, amen. Bi siluan feithful  
brother to you as I deme, I wroot schorli,  
bisechinge and witnessyng, that this is the  
verrei grace of god in whiche ye stonden. the  
churche that is gaderid in babiloyne and mar-

togidre in hooli coss. grace be to you alle  
that ben in crist. amen.

## CAP. I.

I mount petir seruaunt  
and apostle of iesus  
crist, to hem that han  
take with us the <sup>c</sup>euene  
feith in the rigtwis-  
nesse of oure god and  
sauyour iesus crist:  
grace and pees be fillid  
to you bi the knowyng

of oure lord jesu crist, hou alle thingis of his  
godlich vertue that ben to lyf and pitee ben  
gouun to us bi the knowing of hym that cle-  
pide us for his owne glorie and vertue. bi  
whom he gaf to us moost preciouuse biheestis,  
that bi these thingis ye schulen be maad fel-

owis of goddis kynde, and fle the corrupcioun  
of that couetise that is in the world. and  
<sup>d</sup> bryngye ye in al bisynesse, and mynstre ye in  
youre feith vertue, and in vertue kunning,  
and in kunning abstynence, in abstynence  
pacience, in pacience pitee, in pitee loue of  
britherhood, and in loue of britherhood cha-  
rite. for if these ben with you and ouerco-  
men, thei schulen not make you voide, neither  
without fruyt in the knowyng of oure lord iesu  
crist. but to whom these ben not redi, he is  
bylynd and gropith with his hond, and forgetith  
the purging of hisse elde trespassis. wherfore  
britheren be ye more bisi, that bi goode wer-  
kis ye make youre cleping and chesing certein.  
for ye doyng these thingis schulen not do  
syne ony tyme. for thus <sup>e</sup>ye entryng into

iesu crist schal be mynystrid to you plenteousli. for which thing I schal bigynne to moneste you euermore of these thingis, and I wole that ye be kumynge and confermed in this present truthe. Forsothe I deme iustli as long as I am in this tabernacle to reise you in monesting, and I am certeyn that the putting awei of my tabernacle is swift bi this that our lord iesu crist hath schewid to me. but I schal gyue bisnesse and ofte astir my deeth ye haue mynde of these thingis. for we not suyng unwise taalis han maad knowun to you the vertue and the bifore knowyng of oure lord iesu crist, but we weren maad biholderis of his gretnesse. for he took of god the fadir onour and glorie bi such maner voice slidenn doun to hym fro the greet glorie, this is my loued sone in whom I haue plesid to me, heere ye hym. and we herden this voice brought fro heuene whanne we weren with hym in the hooli hil. and we han a \*sadder word of prophecie, to which ye gyuynge tent doen wel, as to a lanterne that gyueth ligt in a derk place til the dai bigynne to gyue ligt, and the dai sterre springe in youre hertis. and firste undirstonde ye this thing, that ech prophecie, of scripture is not maad bi propre interpretacioun. for prophecie was not brought on yme bi manns wille, but the hooli men of god inspired what the hooli goost spaken.

BUT also false profetis weren in the peple, as in you schulen be maister hieris that schulen brynge in sectis of perdiccion. and thei denyen thilke lord that bougte hem and bringen on hemselff haasti perdiccion. and manye schulen sue her lecheries bi whiche the weie of treuthe schal be blasfemed. and thei schulen make merchamdis of you in couciture bi feined woordis, to whiche doom now a while ago ceesith not, and the perdiccion of hem nappith not. for if god sparide not aungelis synnyng, but bitook hem to be

turmentid, and to be drawun doun with boondis of helle into helle to be kept into doom, and sparide not the first world, but kepte noe the eighe man the bifore-goer of rigtwisnesse, and broughte yn the greet flood to the world of unfeithful men. and he droof into poudir the citees of men of sodom and of men of gomor, and dampuyde bi turnyng upsodoun, and putte hem the ensaumplic of hem that weren to doyng yuel, and delyueride the iust loth oppressid of the wrong and of the lecherous conversacioun of cursid men. for in sigt and heering he was iust, and dwellide among hem that fro dai into dai tormentide with wickide werkis a just soule. for the lord can delyuere pitious men fro temptacioun, and kepe wickide men into the dai of doom to be tormentid. but more hem that walken astir the fleische in couetinge of unclemnesse, and dispisen lordschiping, and ben boode plesyng hemselff, and dreden not to bringe in sectis blasfemyng. wher aungelis whanne thei ben more in strengthe and vertue beren not that was the execrable doom agens hem. but these ben as unresounable beestis <sup>b</sup> kyndeli into taking and into deeth, blasfemyng in these thingis that thei knownen not, and schulen perische in her corrupcioun and resseyue the hire of unrigtwisnesse, and <sup>c</sup> thei gessen delices of defoulyng and of wemme to be likingis of dai. flowynge in her feestis with delices doyng lecherie with you, and han igen ful of auoutre and uncessyng trespasse, disseyuyng unstedefaste soulis and han the herte exercisid to coucite. the sones of cursyng that forsaken the rigt weie, and erriden suyng the weie of balaam of bosor which louyde the hire of wickidnesse, but he hadde repreuyng of his woodnesse a doumbe beeste undir yok that spak with voice of man that forbed the unwisdom of the prophete. these ben wellis withouten watir, and mystis dryuan with whyrlyng wyndis, to whiche the thicke myst of derknessis is reserved. and thei speken in pride of vanytee, and disseyuen in desires of fleisch of lecherie hem that scapen

a litle. whiche lyuen in errour and biheeten fredoun to hem whanne thei ben seruauntis of corrupcioun. for of whom ony man is ouercomun of him also he is a seruaunt for if men forsaken the unclennissis of the world bi the knowyng of oure lord and sauour iesu crist, and eftsoone be wlappid in these and ben ouercomun the latter thingis ben maad to hem worse than the former. for it was better to hem to not knowe the weie of rigtwisnesse, than to turne agen aftir the knowyng fro that hooli maundement that was bitakun to hem. for thilke verrei prouerbe bifelde to hem, the hound turnyde agen to his castyng, and a sowe is waischen in walewing in fenne.

**L**O ye moost dere worthe britheren I write to you this seconde epistle in which I stire your cleer soul by monestyng togidre that ye be myndeful of tho wordis that I before seide of the hooli profetis, and of the maundementis of the hooli apostlis of the lord and sauour. first wite ye this thing that in the laste daies disseyueris schulen come in disseit, goynge aftir her owne couetyngis, seiynge where is the biheeste or the comyng of hym? for sithen the fadris dieden alle thingis lasten fro the bigynnnyng of creature. but it is hid fro hem willynge this thing, that heunes were before, and the erthe of watir was stondiuge bi watir bi goddis word, bi which thilke world clensid thanne bi watir perischide. but the heunes that now ben, and the erthe ben kept bi the same word, and ben reserued to fier into the dai of doom, and perdicoun of wickide mem. but ye, moost dere, this oo thing

<sup>a</sup> pietatibus.<sup>b</sup> youre sadnessse.

be not hid to you, that oo dai anentis god is as a thousynde yeeris, and a thousynde yeeris ben as oo dai. the lord tarieth not his biheeste as summe gessen, but he doith pacientli for you, and wole not that ony men perische, but that alle turne agen to penaunce. for the dai of the lord schal come as a theef; in whiche heunes with greet birc schulen passe and elementis schulen be dissolved bi heete, and the erthe and alle the werkis that ben in it schulen be brent. therfore whanne alle these thingis schulen be dissolved, what maner men bihoueth it you to be in hooli liuyngis and <sup>a</sup> pitees, abidinge and higynge into the comyng of the dai of oure lord iesu crist. bi whom heunes brennyng schulen be dissolved, and elementis schulen faile bi brennyng of fier. also we abiden bi hise biheestis newe heunes and newe erthe, in which rigtwisnesse dwellith. for which thing ye moost dere abiding these thingis, be ye bisi to be foundun to hym in pees unsoppid and undefouled, and deme ye long abiding of oure lord iesu crist youre heelthe. as also oure moost dere brothir poul wroot to you bi wisdom gouun to him, as in alle epistis he spekith in hem of these thingis, in whiche ben summe harde things to understande, which unwise and unstable men deprauen, as also thei doen othere scripturis to her owne perdicoun. therfore ye britheren bifore witinge kepe you silff, lest ye be disseued bi errour of unwise men, and falle awei fro <sup>b</sup> youre owne sadnessse. but weye ye in the grace and the knowyng of oure lord iesu crist and oure sauour. to hym be glorie now and into the dai of euerlastingesse. amen. here endith the seconde pistle of petir: and biginneth the firste pistil of ioon.

## CAP. I.

HAT thing that was fro the bigynnyng which weherdenwhich we sigen with oureigen, which we biheelden and oure hondis touchiden of the word of liif. and the liif is schewid, and we saigen, and we witnessen and tellen to you \*euerlasting liif that was anentis the fadir and apperide to us. therfore we tellen to you that thing that we sigen and herden, that also ye haue felowschhip with us and oure felowschhip be with the fadir and with his sone iesu crist. and we writyn this thing to you, that ye haue ioie, and that youre iote be ful. and this is the tellyng that we herden of him and tellen to you, that god is ligt and ther ben no derknessis in hym. if we seien that we han felawschhip with him, and we wandren in derknessis, we lien and doen not treuthe. but if we walken in ligt as also he is in ligt we han felawschhip togidre, and the blood of iesu crist his sone clenstith us fro al synne, if we seien that we han no synne we disseyuen ussilff, and treuthe is not in us. if we knowlechen oure synnes, he is feithful and iust that he forgye to us oure synnes, and clese us fro al wickidnesse. and if we seien that we han not synned, we maken him a lier, and his word is not in us.

## II.

**M**Y little sones, I write to you these thin-  
gis, that ye synne not. but if ony  
man synneth we han an advocat anentis the

fadir iesu crist, and he is the forgifnesse for oure synnes, and not oonli for oure synnes but also for the synnes of al the world. and in this thing we witen that we knownen hym, if we kepen hise commaundementis. he that seith, that he knowith god, and kepith not hise commaundementis is a lier, and treuthe is not in hym, but the charite of god is parfyte verili in hym that kepith his word. in this thing we witen that we ben in hym, if we ben parfite in hym. he that seith that he dwellith in hym, he owt for to walke as he walkide. moost dere brithiren, I write to you not a newe maundement, but the elde maundement that ye hadden fro the bigynnyng. the elde maundement is the word that ye herden. eftsoone I write to you a newe maundement that is trewe bothe in him and you, for derknessis ben passid, and verrei light schyneth now. he that seith, that he is in ligt and hatith his brothr is in derknesse yit. he that loueth his brother dwelth in ligt, and sclaundre is not in hym. but he that hatith his brother is in derknessis, and wandrith in derknessis and woot not whidir he goith for derknessis han blyndid hise igen. litle sones I write to you, that youre synnes ben forgouen to you for his name. fadris, I write to you for ye han knownun him that is fro the bigynnyng. yonge men I write to you for ye han ouercomen the wickid. I write to you yonge children, for ye han knowe the fadir. I write to you britheren for ye han knownun him that is fro the bigynnyng. I write to you yonge men, for ye ben stronge, and the word of god dwellith in you, and ye han ouercomun the wickid. nyle ye loue the world, ne tho thingis that ben in the world. if ony man loueth the world, the charite of the fadir is not in hym. for al thing that is in the world is couetise of fleische, and couetise of igen, and pride of lyf, which is not of the fadir, but it is of the world. and

\* the euerlasting.

the world schal passe, and the coueitise of it, but he that doith the wille of god dwellith withouten ende. my little sones, the last our is, and as ye han herd, that anticrist cometh, now many antichristis ben maad, wherfore we witen, that it is the last our. thei wenten forth fro us, but thei weren not of us, for if thei hadden be of us, thei hadden dwelte with us, but that thei be knowun that thei ben not of us. but ye han anoynting of the hooli goost and knownen alle thingis. I wroot not to you as to men that knownen not treuthe, but as to men that knownen it, and for ech leesyn is not of treuthe. who is a fier, but this that denyeth, that iesu is not crist? this is anticrist that denyeth the fadir and the sone. so ech that denyeth the sone hath not the fadir, but he that knowlechith the sone hath also the fadir. that thing that ye herden at the bigyaning dwelle it in you. for if that thing dwelth in you which ye herden at the bigynnyng, ye schulen dwelle in the sone and in the fadir; and this is the biheeste that he bihigte to us euerlastinge lyf. I wroot these thingis to you of hem that disseyuen you, and that the anoynting which ye resseyuyden of hym dwelle in you. and ye han not nede that ony man teche you, but as his anoynting techith you of alle thingis, and it is trewe, and it is not leesying, and as he taughte you dwelle ye in him, and now ye little sones dwelle ye in hym, that whanne he schal appere we haue a trist, and be not confoundid of him in his comyng. if ye witen that he is iust, wite ye also ech that doith rigtwisnesse is borun of hym.

## III.

**S**E ye what maner charite the fadir gaf to us, that we be named the sones of god and be hisse sones. for this thing the world knewe not us, for it knewe not hym. moost dere britheren, now we ben the sones of god, and yit it apperide not what we schulen be. we witen that whanne he schal appere we schulen be lyk hym, for we schulen se him as

he is. and ech man that hath this hope in him makith hymself hooli as he is hooli. ech man that doith synne doith also wickidnesse, and sin is wickidnesse, and ye witen that he apperide to do awei synnes, and synne is not in hym. ech man that dwellith in hym synneth not, and ech that synneth seeth not hym neithir knew hym. litil sones, no man disseyue you. he that doith rigtwisnesse is iust, as also he is iust. he that doith synne is of the deuel, for the deuel synneth fro the bigynnyng. in this thing the sone of god apperide, that he undo the werkis of the deuel. ech man that is borun of god doith not synne, for the seed of god dwellith in him, and he mai not do synne, for he is borun of god. in this thing the sones of god ben knowun, and the sones of the fend. ech man that is not iust is not of god, and he that loueth not his brothir is not of god. for this is the tellyng that ye herden at the bigynnyng, that ye loue eche othere. not as cayn that was of the yuel, and sloug his brothir. and for what thing sloug he hym? for hisse werkis weren yuele and his brotheris iust. britheren nyle ye wonder if the world doth hatith you. we witen that we ben translatisd fro deeth to lyf, for we louen britheren, he that loueth not dwellith in deeth. ech man that hatith his brothir is a mansleer, and ye witen that ech mansleer hath not euerlastinge lyf dwellinge in him. in this thing we han knowun the charite of god, for he puttide his lyf for us, and we owen to putte oure lyues for oure britheren. he that hath the catel of this world, and seeth that his brother hath nede and closith hisse entrails fro him, hou dwellith the charite of god in hym? my little sones, loue we not in word, neither in tunge, but in werke and treuthe. In this thing we knownen, that we ben of treuthe, and in his sigt we monesten oure hertis. for if oure herte repreueth us, god is more than oure herte and knowith alle thingis. moost dere britheren, if oure herte repreueth not us, we han trust to god, and what euer we schulen axe we schulen resseyue of hym, for we kepen hisse comandementis, and we doen tho thingis that ben

plesaunt bifore hym. and this is the comauement of god, that we bileeue in the name of his sone iesu crist, & that we loue eche othire as he gaf heeste to us. and he that kepith hise commaundementis dwellith in him, and he in him. and in <sup>a</sup>this thing we witen that he dwellith in us bi the spirit whom he gaf to us.

## III.

**M**oost dere britheren, nyle ye bileeue to ech spirit, but preue ye spiritis if thei ben of god. for manye false profetis wenten out into the world. in this thing the spirit of god is knowun: ech spirit that knowlechith that iesu crist hath come in fleische is of god, and ech spirit that fordoith iesu is not of god; and this is anticerist of whom ye herden, that he cometh, and rigt now he is in the world. ye little sones ben of god, and ye han ouercomun hym, for he that is in you is more than he that is in the world. thei ben of the world, therfore thei speken of the world, and the world heerith hem. we ben of god, he that knowith god heerith us, he that is not of god heerith not us; in this thing we knownen the spirit of treuthe and the spirit of errour. moost dere britheren, loue <sup>b</sup>we togidre, for charite is of god, and ech that loueth his bro-

the world. whoever knowlechith, that iesu is the sone of god, god dwellith in him, and he in god. and we han knowun and bileeuen to the charite that god hath in us. god is charite, and he that dwellith in charite dwellith in god, and god in him. in this thing is the parfyte charite of god with us, that we haue trist in the dai of doom, for as he is, also we ben in this world. drede is not in charite, but parfyte charite puttith out drede. for drede hath peyne, but he that dredith is not parfyte in charite. therfore loue we god, for he louyd us bifore. if ony man seith, that I loue god, and hatith his brothir, he is a lier. for he that loueth not his brothir which he seeth, hou mai he loue god whom he seeth not? and we han this commaundement of god, that he that loueth god loue also his brothir.

## CHAP. V.

**E**CH man that bileeuet that iesu is crist is borun of god, and ech man that loueth him that gendride loueth him that is borun of him. in this thing we knownen, that we louen the children of god, whanne we louen god and doen hisse maundementis. for this is the charite of god that we kepe hise maundementis, and hisse maundementis ben not heuy. for al thing that is borun of god ouercometh the world, and this is the victorie that ouercometh the world, oure feith. and who is he that ouercometh the world but he that bileeuet that iesus is the sone of god? this is jesus crist that cam bi watir and blood, not in watir oonli, but in watir and blood. and the spirit is he that witnessith, that crist is treuthe. for three ben that gyuen witnessyng in heuene, the fadir, the sone, and the hooli goost, and these three ben oon. and three ben that gyuen witnessyng in erthe, the spirit, watir and blood, and these three ben oon. if we resseyuen the witnessyng of men, the witnessyng of god is more. for this is the witnessyng of god that is more, for he witnesside of his sone. he that bileeuet,

<sup>a</sup> this thing.<sup>b</sup> ye.

into the sone of god hath the witnessyng of god in hym. he that bileeuth not to the sone makith hym a lier, for he bileeuth not in the witnessyng that god witnesside of his sone. and this is the witnessyng for god gaf to you euerlasting lyf, and this lyf is in his sone. he that hath the sone of god hath also lyf, he that hath not the sone of god hath not lyf. I write to you these thingis, that ye wite that ye han euerlastinge lyf whiche bileeuen in the name of goddis sone. and this is the trist which we han to god, that what euer thing we axen affir his wille, he schal heere us. and we witen that he heerith us, whateuer thing we axen, we witen that we han the \*thingis whiche we axen of hym. he that woot that his brother

synneth a synne not to the deeth, axe he and lyf schal be gouun to him that synneth not to deeth. ther is a synne to deeth, not for it I seie that <sup>b</sup> ony preie, ech wickidnesse is synne, and <sup>c</sup> ther is synne to deeth. we witen that ech man that is borun of god synneth not, but the generacioun of god kepit hym, and the wickid touchith hym not. we witen that we ben of god, and al the world is sett in yuel. and we witen that the sone of god cam in fleische and gaf to us witt, that we knowe verrei god, and be in the verrei sone of hym. this is verrei god, and euerlastynge lyf. my litle sones kepe ye you fro mawmetis.

HE eldre man to the chosun ladi and to his children whiche I loue in treuthe, and not I aloone, but also alle men that knowen treuthe. for the treuthe that dwellith in you, and with you schal be withouten ende. grace be with you, merci and pees of god the fadir and of iesu crist the sone of the fadir in treuthe and charite. I ioiede ful mych for I foond of thi sones goynge in treuthe as we resseyuden maundement of the fadir. and now I preie thee fadi, not as writynge a newe maundement to thee, but that that we hadden fro the bigynnyng that we loue ech othire. and this is charite, that we walke affir hisse maundementis. for this is the com-

maundement, that as ye herden at the bigynnyng walke ye in him. for manye disseyuers wenten out into the world which knowlechen not that iesu crist han come in fleische. this is a disseyuer and anticrist. se ye yoursilff lest ye leesen the thingis that ye han wrought, that ye resseyue ful mede. witynge that ech man that goith before and dwellith not in the teching of crist hath not god. he that dwellith in the teching hath bothe the sone and the fadir. if ony man cometh to you, and bringith not this teching, nyle ye resseyue him into hous, neither seie to him heil. for he that seith to him heil, comyneth with hise yuele werkis. lo I bifore seide to you that ye be not confoundid in the dai of oure lord iesu crist. I have mo thingis to write to you, and I wolde not bi parchemyn and enke, for I hope that I schal come to you and speke mouth to mouth that youre ioie be ful. the sones of thi chosun sisstir greeten thee well. the grace of god be with thee. amen.
